Subject: a cleaner version of the letter

Hi Again,

Karen is at NRCS w/ Valentina and I'll see Bruce later today. Tom however is in the office again (welcome back!) so I thought he might like the latest version of our letter. Appendix A is a mess. I'm turning my attention to that now. Karen noted that we may be able to submit that later as it is for staff and the it is an informal workshop proceeding.

I'll stop editing it now and wait for comments.
